Bellport High School
Atrium Memory Brick

The Life Skills and 8:1:3 classes are reintroducing the Atrium Memory Brick Program where members of our community can purchase a brick as a way to honor or remember someone which will last a lifetime.

Bricks can be purchased in memory of:

* Graduates
* Retirees
* Alumni
* Sports
* Clubs

The bricks are Cambridge Pavers that are engraved by a local craftsman and enhanced with black engravers ink for durability. This gift is especially appropriate at graduation.

Order forms coming this Spring!!!
