<b>FRIDAY</b> "	<u>No Homework☺</u>	<u>Have a nice weekend</u>

Hello Families! It is hard to believe but we are approaching the end of the school year. I have been administering a variety of tests to assess the children's growth over the school year. I am amazed at the results and how much each child has grown this year. This week we will finish our last theme in reading and will be learning about the endings "ed" and "ing" in Foundations. In Math, we will be working on two digit subtraction. In writing, we will finish our poems and will begin working on a variety of creative writing assignments to finish off the year. In Social Studies, we will finish our unit about landforms and then we will be working on activities involving Memorial Day and Flag Day. Keep up all the wonderful reading! Have a great week!!!!!!
