Where EVERYBODY
Is SOMEBODY

June 2010

Dear Parents,

Today your child selected a book to read for our summer reading program! These books have been donated or purchased by the PTA for your child to keep! Your child was given a book to support us in our goal to keep all our students reading over the summer.

We hope to make this a fun program for both the students and their families. Each grade level will be given a reading goal. Students are encouraged to obtain reading material from their local libraries. The students will record each of the books that they have read on the attached "Hooked on Books" sheet. At the beginning of school in September, the "Hooked on Books" sheets will be returned to the classroom teacher and those students who have met, or exceeded, their goal will be invited to an "Ice Cream Social."

The grade level goals are as follows:

Students entering Grades K and 1

**At least 10 books (Picture books)
(read and log with parental assistance)**

Students entering Grades 2 and 3

14 Picture books or 4 Chapter books

We hope everyone will participate and parents will encourage their child to read over the summer. To assist parents and students in the program, a summer reading list has been compiled by our Librarian, Ms. Cullen, that is included with this letter.

Don't forget to return the "Hooked on Books" sheet no later than **Tuesday, September 14th**! Thank you for your support and have a wonderful summer!

Sincerely,

The Shared Decision Making Team
