Dear Parents/Guardians,

Re: Student Drop-off Procedure:

In an effort to alleviate unsafe conditions on Kreamer Street, we are asking the parents/guardians of students who are driving their children to school in the morning and/or picking them up in the afternoon to please use our NEW parent/guardian drop-off area located in the East Lot off of Station Road, one block north of Kreamer Street (South Street). This was addressed in the district's bond project in order to create a safe area to drop off or pick up students without causing unsafe conditions in front of the building.

Students who are dropped off in the NEW East Lot area will be able to enter the building no earlier than 7:40 and will be supervised in the East Cafeteria. This measure was taken with the safety of ALL of our students in mind. Thank you in advance for your cooperation in this matter.

Sincerely,

Brian Ginty
Principal
