December 16, 2011

Dear Parents and Staff:

Pursuant to State Education Law Section 409-H, this notice is to inform you of pesticide Applications used in the district for the time period of June 24, 2010 to December 16,2011. You may wish to discuss with the designated school representative what precautions were taken to protect your child from exposure to these pesticides.

Further information about the product(s) being applied including any warnings that may appear on the label of the pesticide(s) that are pertinent to the protection of humans, animals, or the environment, can be obtained by calling the National Pesticide Telecommunication Network Information phone number (1-800-858-73780) or the New York State Department of Health Center For Environmental Health Info Line at (1-800-458-1158)

As a reminder, the following pesticide applications are **not** subject to prior notification

Requirements:

- A school remains unoccupied for a continuous 72 hours following an application
- Anti-microbial products
- Nonvolatile rodenticides in tamper resistant bait stations in areas inaccessible to children
- Nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children
- Silica gels and other nonvolatile ready to use pastes, foams, or gels in areas inaccessible to children
- Boric acid and disodium octaborate tetrahydrate
- The application of EPA designated biopesticides
- The application of EPA designated exempt materials under 40CFR152.25
- The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets.

Please feel free to contact Mr. Gregory C. Miglino, Jr. at the South Country Central School District for further information on these requirements, including information on products that are scheduled to be applied in this school.

Sincerely

Gregory C. Miglino, Jr.  
Building Services Administrator
