February 3, 2010

Dear Parent or Guardian:

As a parent or guardian you play a critical role in your child’s educational growth. The South Country School District will be implementing in the **Middle and High Schools** a web based communication tool which will allow you to access your child/children’s academic profiles via the Internet through a connecting link on our school district website. This tool is called Parent Portal and the implementation will be during the month of February, 2010. Using this tool you will have online access to your child/children’s attendance, schedules, progress reports, report cards, and gradebook.

In order for you to access the Parent Portal, we need to have the email address you will be using. This email address will be your username to access the Parent Portal. Please verify that the student(s) name, school(s) attending, and grade(s) are correct – if there are discrepancies please indicate on the form below.

Please enter YOUR email address, your name, and signature in the areas provided. The student Name(s), School, and grades must be entered as well. This form must be returned to your child/children’s school. Should you have any questions please email parentportal@southcountry.org or call 631-730-1511.

Thank you,

Stanley G. Pelech II
Assistant Superintendent for Educational Services
