Dear Parents and Staff:

Pursuant to State Education Law Section 409-H, this notice is to inform you of pesticide applications used in the district for the time period April 1st to June 22nd. You may wish to discuss with the designated school representative what precautions were taken to protect your child from exposure to these pesticides.

Further information about the product(s) being applied, including any warnings that may appear on the label of the pesticide(s) that are pertinent to the protection of humans, animals, or the environment, can be obtained by calling the National Pesticide Telecommunications Network Information Phone Number (1-800-858-7378) or the New York State Department of Health Center for Environmental Health Info Line at (1-800-458-1158).
