## About Smencils

These Gourmet SCENTED pencils are made from 100% recycled newspapers. Each Smencil is saturated with one of 10 scrumptious scents guaranteed to last 2 years! Smencils are No.2 pencils, packaged in its own corn-based biodegradable plastic freshness tube that comes with a character top cap.

## To Order

Each Smencil costs \$1.00. To order fill out the above form with your cash or check payment, made payable to Frank P. Long PTA and turn it into your teacher. Orders are picked up on Friday and delivered the following Monday. Substitutions may be made if a choice is no longer available at the discretion of the PTA.

The money raised by the FPL PTA goes towards student events at Frank P. Long Intermediate School. Thank you for your support!
